TO HAVE BIG BIBLE SCHOOL ENROLLMENT

Summer Work Under W. C. Gibbs To Be Yearly Feature.

NEW COURSES ADDED

Dean Edwards To Be Associated With "Men and Millions" Movement.

The Bible College of Missouri is having its building repaired and put in first class shape, in anticipation of a record enrollment and a full dormitory, according to Dean G. D. Edwards.

"If inquiries mean anything," Dean Edwards said this morning, "the outlook for the Bible College is the best ever. Our enrollment has jumped from 51 to 239 in the last twelve years, and there have been more inquiries this summer than ever before."

During the last summer for the first time the Bible College offered courses during the University Summer Session. The number of students taking the two courses taught by Prof. W. C. Gibbs was so encouraging that hereafter summer courses will be a regular feature of the Bible College work.

Because of the large number of inquiries received the Bible College faculty has decided to offer three correspondence courses. One of these courses will be on the story of the new testament, by Professor Gibbs; one on the Bible as literature, by Dean Edwards, and one on religious education, by Professor Taylor. These courses, constituting a unit in their purpose, are designed especially for Sunday school teachers who want better preparation for their work but who cannot go away from home to receive it. These courses, however, will be open to everyone.

A new 2-hour course in the Bible as literature, approved for credit in the University, will be offered by the Bible College this fall. This course with the one in the same subject already approved for credit will cover the whole of the biblical literature. Both of these courses will be given each semester this year.

Dean Edwards will be away from the college for three weeks, beginning October 20, with the Men and Millions Team, which is attempting to raise more than \$6,000,000 for religious work. During the Men and Millions campaign last fall about \$10,000 was designated for the Bible College, something like \$4,000 of it having been donated by Columbia people.
